Simulated game days

[www.bangrovesfarm.co.uk](http://www.bangrovesfarm.co.uk)

**B**angrove simulated game days at set at one of the county's finest 'High bird' game shoots and utilises some the same drives that we use during the game season. Set amongst ideal shooting country, with truly spectacular scenery, Simulated Game Shooting offers your party a complete, safe and unforgettable simulated game shooting experience.

Using the skill of the keeping team we can set your day up to suit your requirements. We presently have a mixture of twelve drives that will suit everyone, from relative easy drives to extremely challenging 'Devonian High Pheasants'.

“ *The day was fabulous, everything just so, from the marvelous hospitality and food, to those testing Grouse set against the gorse and amazing backdrop. We could have been at Gunnerside* ”

**Mr Graham Walker**
